Wholesale and Retail at Moderate Prices. The Proprietors of this Journal are pleased to ann ounce that they have; at a very considerable outlay, made arrangements with H. RIDER SILVESTRE ARLEGUI & Co. HAGGARD—the Author of the most popular and dramatic Stories of our day-by which their Readers will enjoy precedent perusal of a new MARINBURK. and unpublished manuscript Story from his pen.

The Title of RIDER HAGGARD'S New Story is COLONEL QUARITCH, V.C. And the Opening Chapters will appear in an early issue of THE "HONGKUNG DAILY PRESS."

In this dramatic work, the author of "She

makes a new departure. Instead of placing his characters in lands remote from civilization and subjecting them to influences of the most remarkale and unprecedented nature, he has here written an English treasure story of the present day. The hero is a soldier in the British army, a wearer of the Victoria Cross, who returns home from the recent operations in the Soudan, to exchange the perils and privations of warfare in the desert for a series of sensational incidents among pleasant English landscapes, and the ultimate reward of an ancestral home brightened ELIXIR by the beauty of a comely bride. The plot is well contrived, there is strong individualisation in the characters; the scenos are depicted with clearness and a warm glow of local colour, while the main incidents are worked out with power. Not even in "King Solomon's Mines," when en trance is effected into the mysterious chamber is the thrill greater than when Colonel Quaritch unearths the treasure, hidden away from Cromwell's soldiers, the recovery of which saves an
